PART NUMBERS	CO01800	KIT MECHANICAL REMOTE OPENING EH50 –E525
	CO01810	KIT MECHANICAL REMOTE OPENING EH45

Dear Customers,

As part of our continuous improvement program, we have scheduled a changing on the following items:

Segnalazione apertura/ chiusura esterno - Outside open-closed remote indicator

Applicabile ai ganci serie - *Applicable to kit series* E40, E550, E576, E551, EH524, E50, E525, EH50, EH45

Codice - Article number CO02605

RC00013	RC00011

DETAILS and TECHNICAL NOTES:

Starting from 1st October 2021, the supply of mechanical remote opening kit will also include the outside open-closed remote indicator (p/n CO02605).

The change was necessary to respect the currently-into-force ECE R55 legislation, which imposes open-closed remote indicator on towing systems with remote openings.

The new Gross Price of the complete mechanical opening kit is 600,00 euro.

For eventual further information, do not hesitate to contact Sales Dpt.
