PART NUMBERS	<b>CO01800</b> <b>CO01810</b>	<b>KIT MECHANICAL REMOTE OPENING EH50 –E525</b> <b>KIT MECHANICAL REMOTE OPENING EH45</b>
--------------	----------------------------------	--

Dear Customers,

As part of our continuous improvement program, we have scheduled a changing on the following item:

EXISTING VERSION

NEW VERSION

**DETAILS and TECHNICAL NOTES:**

The new mechanical remote opening kit will be provided with the green-light LED sensor, instead of the outside o/c led board (p/n RC00013).

The new green-light sensor will be installed nearby the opening lever, as shown in the above picture.

Existing version will be available 'till stocks last, the supply of the new version will be made with no change of the commercial code.

Gross price will not change.

For eventual further information, do not hesitate to contact Sales Dpt.

V. ORLANDI S.p.A.
